WELCOME TO THE FIRST NEMo WEBINAR!

Andrew Winder
ERTICO – ITS Europe
Service Creation in the NeMo Electromobility Network
Webinar, 1 February 2018
Webinar overview

14:00 Welcome and presentation of the speakers
• Andrew Winder, ERTICO – ITS Europe, Belgium
14:05 Introduction to NeMo
• Christina Anagnostopoulou, Institute of Communication and Computer Systems (ICCS), Greece
14:10 What is the NeMo Hyper-Network, how will it work and how can you engage with it?
• Thomas Walz, IBM, Germany
14:20 Tutorial on electromobility service creation
• Johannes Fähndrich, DAI-Labor, Technische Universität Berlin, Germany
14:50 Questions
15:00 End
Webinar interface

The webinar interface allows you to see the presenter’s desktop.

• On your right should be a collapsible menu
• If you have problems with the audio, click on audio set-up
• If you have questions about the presentation, type them using the question panel. **Questions will be answered after the presentations from IBM and TU Berlin**
• By clicking on ”view” in the menu, you can adjust what you see
Questions

You will stay muted during the session. Please use the question panel to ask your questions during the session. Please keep questions brief. The moderator will read out relevant questions at the end of each presentation.
Be a part of NeMo ...

You can be part of this bigger picture making electromobility more attractive

By joining the NeMo Stakeholder Forum
- http://nemo-emobility.eu/nemo-forum
- keep updated on all project news, results and events
- provide comments and feedback on our approach and outputs

By participating in the NeMo Hackathon → Beginning of 2019
- contribute to the validation of the presented Hyper-network Tools and Service Creation Environment

By participating in the next Stakeholder Forum Conference (Autumn 2018) and future training seminars
- Follow the results of our research
- Provide valuable feedback according to your needs, helping to shape the NeMo Hyper-Network
Stay connected...

**NeMo will be presented at these events in 2018:**

**TRA – Transport Research Arena**
- 16-19 April, Vienna
- NeMo demonstration

**ACM e-Energy Conference**
- 12 June, Karlsruhe
- Electric Vehicle Systems, Data and Applications workshop organised by NeMo

**ITS World Congress**
- 17-21 September, Copenhagen
- NeMo Special Interest Session
Thank you!
